MANAGER'S COMMENTS

These comments are being compiled prior to the Truro S.W.L. Cup Match, Saturday last.

We have now played two S.W.L. matches, both away and only have one point to show for our efforts. We all know to win a Championship we require a point away and two points at home; so therefore we are a point adrift. Our first match at MILLBROOK was very disappointing when you consider the amount of possession we had, but I'm afraid we lacked 'punch' up front and we sadly miss, in particular the goal flair of ENO UDO (will be back about the third week in September). Just before half-time, we pulled a class-goal back, to make the score 2-1. Glyn Jenkins picked a ball up on the half way line, on the touch-line, and with the Millbrook defence looking to play the offside-trap, GLYN made a determined run for the dead-ball-line; at the same time Ronnie BARR had made an equal run to finish off GLYN'S superb weighted cross. Our second half pressure failed to bring the goals.

Last Wednesday at ST. AUSTELL, we found ourselves to be 3-0 down, through bad individual mistakes, and with 25 minutes to go I made certain positional changes. With 12 minutes to go the score remained the same but we had piled on relentless pressure, and within 6 minutes we had levelled the score; two brilliant goals from Skipper Richard STANLEY and a towering header from Tommy MATTHEWS, from a corner. In the dying minutes Phil MIUCCI just failed to give us the two points. A fabulous fight-back, which underlines the character of the team.

Some players are still striving to regain their respective form, and of course, it is all a question of confidence. I have no doubt in their ability. However, I am always on the look-out for outstanding players and I can tell you I have put in an approach for such a player during the last week and by today, we may have his signature!!

DAVID WADD

WE MUST HAVE TWO POINTS THIS EVENING

MANAGER'S NOTES

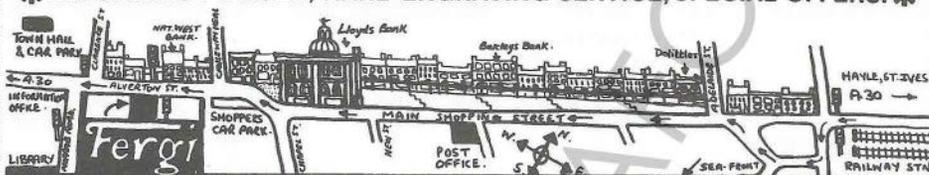

1979-80 SEASON: Once again the League Cup Games proved somewhat of a disaster although we improved on the previous season winning two and drawing one. The League Season proved to be very interesting, of the 32 games played we won 10, drew 11, lost 11. Goals for 51, against 59, points 31. Our play from 29 December was excellent, in fact we lost only two games from then until the end of the season. Played 18, won 8, drew 8, goals for 35, against 19, points 24.

Finally I look forward to 1980-81 Season with great enthusiasm. Please come and support the youth of Penzance.
