## FROM THE DUGOUT

We are delighted to be back at Penlee Park—it's been a long time. We are really looking forward to the new season—really buzzing for it.

Great strides have been made by the committee with all the behind-the-scenes work, including on the dressing rooms—we are both really happy about it.

We are delighted so far with all the new signings, and that is additional to the quality of players that was already in last year's squad, so we are happy with the squad as it stands at the moment.

Pre-season is really good, everyone is working hard. Fitness coach Curtis Ferrell has done a great job with the conditioning of the players to this point. Also a big thank you to Kevin Lawence for keeping things ticking over last season, and continuing forward. It is great to have him and Ashley Waters as our coaches.

We've got everything in place that we need behind the scenes so it is going to be good to see the players tonight getting in match situations and have a good look at everyone.

With regards to Falmouth Town, we know Westy and Micky very well so wish them all the very best in the Western League. And for Ryan and the Reserve side, we wish them every success for the season ahead as well.

Penzance AFC, First Team Managers

## IN RESERVE

We are delighted to welcome Lee Major and Darren Smith to Penlee Park to continue the excellent work that Darren Dayus and Nigel O'Connor have accomplished in recent seasons with our Trelawny League team. Who better to introduce Lee and Daz to you than their good selves:

### LEE MAJOR

I was brought up in Penzance and found my love for sport while at Humphry Davy School. Having played a vast majority of sport within Penzance and learning from some great coaches and meeting many friends along the way, there was no doubt I would end up in management.

With my playing time cut short through heart issues, I took the plunge into football coaching/management when my son began playing through the love of the game with his Mousehole team. This is where I met Daz, and we then went onto manage a Mousehole under-21 team.

Having worked with Daz before I knew this was the right time to come and join Penzance. With our style of play and enthusiasm to let youth players play, we knew Penlee Park was the perfect stage.

Some exciting new players have already signed to help improve the squad, and can't wait to get started. Daz and I are excited to be working with the squad and helping them develop, with one day some hopefully going on to represent the first team.

Once we get this crop of Magpies flying, there will be no catching us!

Our first pre-season friendly is 16th July at Penlee Park, with a 5pm kick-off, against Lanner. It would be great to see as many supporters there as possible.

### DARREN SMITH

Since playing for Penzance youth many moons ago under Paul Gazzard, with Carl Gazzard and Mark Vercesi, Penzance AFC was always in my heart.

Cruciate ligament damage and cartilage tears in my early twenties pretty much ended my playing career and meant I had to stop playing. But when my eldest son Tyler was old enough to play, I began helping out with the coaching side of things at Penzance Youth.

Fast forward nine years to 2021 and, after spells at Rosudgeon Youth and Mousehole under-21s respectively, Tyler joined the Reserves for his first season at adult football. My youngest son Enzo was also now enjoying football, so naturally I started to coach and manage his team, and have been doing this for the past three and a half years.

That's where I met Lee and we straight away hit it off, with very similar views on how we like to play our own style of possession based football.

When the Penzance Reserves managerial position became available, myself and Lee both knew it was our time to step up to the plate take the reins. Although we have only been here a short amount of time, everyone has been very welcoming and made us feel right at home from day one.

We cannot wait to start working with the lads and to introduce our brand of football which we believe will stand us in good stead for this upcoming season. We have managed to bring in some new signings that we have worked with previously and know are capable of playing at a high level so, this coupled with the current group of lads, should bring us every chance of success.

I cannot wait to walk out at Penlee for our first home game of the season, and meet the supporters.

Come on you Magpies!

## SECRETARY'S NOTES

A very warm welcome back to Penlee Park to all our supporters, old and new and especially to the management, players and supporters of Falmouth Town.

Pre-season seems to start earlier every year and our players have been hard at it with Curtis Ferrell showing them the way with a strong fitness regime.

So time to tell of the changes here. We have welcomed the return to the Club of management duo Johnny McCallum and Adrian Ferrell. They were last in charge here around 12-14 years ago and in their own words "have some unfinished business to attend to".

They have many years of playing experience at this level and their knowledge of local contacts (along with coach Kevin Lawrence who is staying here) augers well for the new season. It is surely the policy of every club to get the best possible local players signed on, and that is what we aim to do.

Most players have remained from last season including Mikey Flores returning in goal and Kameron Collins and Jacob Trudgeon both here full-time now from Ludgvan, along with Jordan Daniell. Others returning to Penlee are Tyler Tonkin, Silas Sullivan, Archie Reynolds, Ryan Andrew and the Ralph brothers. With other signings continuing apace we look forward to a far happier season on the pitch.

The month of June saw the shock resignation of our Reserves' managers Darren Dayus and Nigel O'Connor. After 7 years they felt that it was time for someone else to take on the role. Both Darren and Nigel were thanked for their intense work on and off the pitch and it's good to know that, along with Sue, they are to stay and continue their many roles within our Youth set-up.

So we had to work quickly and were fortunate to secure the services of local youth managers Daz Smith (whose son Tyler already plays for our Reserves) and Lee Major. They have already been very busy in signing on young prospects such as Ben Jefferies, Lewis Hitchens, Alfie Beard and Alex Grint. They have also resumed training and have their first friendly this coming Saturday (fixtures elsewhere in the programme).

Next issue I shall endeavour to inform you of what's been happening off the pitch.

Please pop in the Clubhouse before or after the match for a beer, or non alcoholic drink. We have draught lager and cider, and craft beers also.

In the meantime please respect all the officials as they go about putting on a game for everyone and, above all, enjoy

Come on you Magpies!
