Message from the President of Penzance A.F.C.

Ladies and gentlemen,

FOR the second time within a period of seven months Penzance A.F.C. is greatly privileged to welcome a world class football club to Penlee Park.

Following the outstandingly successful visit of Liverpool last August, today we extend a sincere Cornish welcome to Scotland's famous Glasgow Celtic and feel greatly honoured that they have accepted our invitation to come so far to be with us. We trust they will enjoy their time here.

There will be no need for me to outline their achievements which, of course, are world famous and we thank them for allowing people in this far end of England a once only chance of seeing them, particularly in this our Centenary year.

As with the Liverpool game a tremendous amount of work has to be done and may I thank the chairman and committee for all their efforts and trust they will be rewarded with a successful day.

L. J. STANBURY,
(President Penzance A.F.C.)

NOBODY DOES IT BETTER

THE B&Q LEAGUE

THE SPONSOR OF THE SCOTTISH FOOTBALL LEAGUE

Message from the Chairman of Penzance A.F.C.

Ladies and gentlemen,
ONCE again I have the pleasure of welcoming the officials and players of one of the foremost football clubs in Great Britain to continue our Centenary season celebrations. Few, if any, non-league clubs can have had the distinction of playing against both English and Scottish champions in the same season.

Glasgow Celtic have been at the forefront of British soccer for many years and I can well remember watching their historic European Cup victory in 1967 and the excitement this caused in a crowded student common room full of Sassenachs!

Our Commercial Manager, Ian Yeowart, deserves a special mention for making tonight's game possible; without his initial cheek and persistence in persuading Billy McNeill to bring his team to the other end of Great Britain, we would all have missed the opportunity of seeing such talent at Penlee Park. His organisational skills have once more been put to good use and hopefully we will continue to draw on his talents to bring more "big guns" to Penzance in the future.

My thanks also to British Rail Inter City for their match sponsorship as well as **The Cornishman** for once more sponsoring the match programme.

Finally, I hope you will all enjoy tonight's match — there should at least be the promise of lots of goals!

JOHN MEAD
(Chairman)

Acknowledgements

The Management Committee of Penzance Association Football Club would like to most sincerely thank all sponsors, ticket sale outlets, people who allowed us to display our posters; without their support this evening's match would not have been possible. Please would you support the advertisers in this programme as they have supported us. We would also like to thank Penzance Silver Band and Pipe Major Alan Baker for entertaining us before and at half-time. To anyone who has contributed to the success of this evening's match we offer a most sincere thank-you.

John Williams, Manager of Penzance A.F.C.

Aged 41, joined the Magpies at the beginning of August 1985 to re-establish the "A" team and formulate a youth team policy. He has progressed to manage the Combination League side and then succeeded Paul Gazzard as first team manager. An FA coach, he gave up playing because of a severe leg injury. Has a tremendous enthusiasm for the game and puts in a tremendous amount of time and effort for Penzance AFC. He works for British Rail.

Good evening, ladies and gentlemen,

Tonight we extend a hearty welcome to the officials, players and supporters from that great club, Glasgow Celtic, Scottish League and Cup Champions. We are extremely proud to play them and sincerely hope they enjoy their stay in West Cornwall, another "Celtic" stronghold.

May I thank Billy McNeill for agreeing to bring his team this far to play us in our grand finale to our Centenary Season, even more fitting with our guests also celebrating their centenary. Congratulations from all of us here at Penzance.

In playing a team of such enormous quality, I know we will be in for a feast of footballing skill at its very highest level. Chris Morris, who is an important part of Billy McNeill's side, is on international duty with the Republic of Ireland team this weekend, but I am sure he has told his boss of the warm welcome in store from the county he left to be a professional.

The players and myself are looking forward to the game tremendously; it will be an experience etched on their minds forever, I am sure, and know it will be a night long remembered at Penlee Park.

Thanks for coming today. Enjoy the game and please have a safe journey home.

Best wishes.

Message from Billy McNeill, M.B.E.

I would like to say how pleased we are to be coming to Penzance, and indeed to Cornwall. For most of us in the party, and that certainly includes myself, it is the first time we have had the privilege of coming to the county.

We hope to give some good entertainment and make some new friends. As many of the first team squad as possible will be making the journey, and we will also be introducing some younger players who we expect will make the grade in the near future.

We hope that we will provide the people of Penzance with a very exciting afternoon.

ANTON ROGAN

★ Left back Anton Rogan signed for Celtic from Irish club Distillery in 1986. One of the most improved players at Celtic park, the Belfast born Northern Ireland international established himself in the first team last season with a series of breathtaking displays in the latter half of the season. He is big, strong and athletic and has a marvellous left foot.

★ Big central defender Lex Baillie made the breakthrough to the first team last season when Mick McCarthy was injured and Derek Whyte was out of action. He played in several crucial matches at the turn of the year including his first "Old Firm" game that season, coming through with flying colours. He is commanding in the air and reads the game well.

★ Striker Andy Walker was Billy McNeill's first signing. He arrived at Celtic from Motherwell in the summer of 1987 for a fee of £350,000, made an immediate impact with 14 goals in his first 17 outings, and went on to become top scorer with 32 goals last season. He is a Scottish international.

★ Striker Mark McGhee scored a hatful of goals for the club last term. He was signed from German club Hamburg in 1985 and has carried on scoring goals for the first team this season, showing the skills that made him one of the best strikers in the country when he was with Aberdeen in the mid-eighties. He has also played for Morton, Bristol City and Newcastle.

★ Goalkeeper Ian Andrews, who has been capped for England at under 21 level, was signed by Billy McNeill from Leicester City at the beginning of this season for £300,000.

★ Midfielder Tommy Burns is Celtic's longest serving player on the present staff. He made his full first team debut in 1975 and since then has made more than 450 appearances for the club and has been capped eight times by Scotland. A gifted ball player with a fierce left foot shot, he has scored several vital goals for Celtic over the years.

★ Billy Stark is another gifted midfielder. He was signed from Aberdeen for £80,000 in 1987 and is the first midfield player in the Scottish Premier Division to reach 100 goals. Last season he helped Celtic to the double with 13 goals.

FRANK McAVENNIE

★ Striker Joe Miller is Celtic's second most expensive signing, joining the club from Aberdeen for a massive £650,000.

★ The club's most expensive signing is striker Frank McAvennie who joined from West Ham in 1987 for £725,000. He is popular with the fans and last season scored 18 goals, including a decisive double in the cup final against Dundee United. A Scottish international, he is often said to be the best centre forward in Britain.

★ Defender Derek Whyte is only 20-years-old but has already made more than 100 appearances for the club. Last season he became one of the youngest players to be capped by Scotland.

★ Midfielder Peter Grant broke into the first team in 1985 and is now a well established player. He is widely tipped as a future international for Scotland.

★ Tony Shepherd, midfield, made the first team in 1986-1987 and has impressed with a number of solid displays.

★ Striker Owen Archdeacon joined Celtic from Gourock United in 1982 and broke through to the first team two years later. He has superb ball control and a great right foot shot. He has been capped at several levels for Scotland from youth to under 21.

★ Midfielder John Traynor, who has tasted first team football for the first time this season.

★ Full back Dave Elliot, who has been capped at youth level for Scotland, has good ball control and crosses the ball well.

★ Midfielder Stevie Fulton, who made his debut this season and looks set for a bright future.

★ Stephen Luke. Goalkeeper. Age 15. Stephen joined the club at the beginning of this season to play in the U/16 youth team but has progressed and matured so quickly he is now No. 1 choice for the Combination League side. Another credit to his generation. Stephen is still at school.

★ Robert Paul Gilbert. Forward. Age 29. Cousin of full-back Robert. Joined the club from Pendeen at the start of the season, contributes in many ways to club and team spirit, always gives 100%. Works for horticulturist supplier.

★ Andrew Martin. Midfield. Age 24. Andrew has progressed through the club at all levels and is performing consistently at Combination level. Andrew has played 37 first team games and works in the building trade.

★ John Bailey. Defender. Age 29. John joined Penzance in August after playing for St. Just. John is an able and willing member of the squad and is a fine advocate for the club on and off the park. John is a machine setter.

★ Ashley Tallon. Midfielder. Age 30. Last, but by no means least, in the squad. A fine midfield general. Ashley had been an ever-present this season until January when an awkward tackle damaged his knee ligaments. At the time of writing these notes his knee is out of plaster and he is battling against time to be fit for today. Ashley is a driving instructor with West Cornwall Driving School.

BIFFA WASTE SERVICES

are now able to offer ALL TRADERS

**MORE EFFICIENT, CLEANER, COST
EFFECTIVE REFUSE REMOVAL SERVICE**

Its called

“WHEELED BIN SERVICE”

THE ADVANTAGES ARE:

1. Bins emptied once per week (more if required).
2. No access by gulls, cats, dogs, etc.
3. Environmentally acceptable.
4. Can be washed out (drain plug).
- 4a. Disinfectant sprayed by collector after emptying.
5. The top can be padlocked.
6. Wheels will lock — customers will have key.
7. Competitive with present trade charges.

THE THREE TYPES OF BINS ARE:

LARGE: “THE CHILTERN”

Size: 1.1 cu.m. hold approx. 18—20 bags

These modern containers have many advantages. They are more manoeuvrable, easier to load, and an easily closed lid ensures that the waste stays in the container. Because of their shape and size, they can be sited at the point where the waste is created, yet can be easily moved to the collection point when full.

MEDIUM: “THE LANGLEY”

Size 0.6 cu.m. holds approx. 10—12 bags

This container has most of the advantages of “The Chiltern” but it is simply half the size and fits in almost anywhere. As with “The Chiltern,” the real saving can be the added convenience of siting the container at the point where the waste arises. Sometimes, two or three of these prove more convenient than a single large size.

SMALL: “THE CHALFONT”

Size 0.25 cu.m. hold approx. 4-5 bags

A small container, it can be sited almost anywhere in the corner of an office or stockroom, where small quantities are created, yet it is so easy to wheel to the collection point. This is so much tidier than loose sacks, small waste bins or a series of miscellaneous cardboard boxes.
