O U R V I S T O R S

This afternoon we entertain our North Devon vistors - HOLSWORTHY to Penlee Park. Last season the clubs met on three occasions. In the SWL Cup we were beaten by 2-1 at their Upcott Field ground . The second meeting at Penlee Park in November saw us drop a vital league point in a 1-1 draw. Brain Polglase had given us a half-time lead,but an own-goal by Glyn Jenkins sent the Devonians home happy. Their joy was short lived however , the following Saturday the clubs met again at Upcott Field, the Magpies taking both points, winning 3-2. Our scorers were Terry Williams 2(1 pen) and Eno Udo.

Holsworthy mamager Terrry Andrews has a young squad who's average age is twenty one , three players being just seventeen. But inspite of this there is no lack of experience with players like Peter England & Gordon Crowley in the side. Gordon Crowley being the senior citizen in side has not surprisingly earned the nickname Grandad but his stamina and enthusiasm keeps young players like Nick Pike & Andy Dent on thier toes. Although Terry Andrews has selection problems due to injuries , this afternoon's game will be very close.

M A N A G E R S C O M M E N T S

My motto is to work hard and play hard; some players are begining to show signs of not being prepared to do this. At Newquay last week I was not happy with certain players mental attitude's. I endeavoured to stronly correct this at half-time. The second half showed slight improvement but more disicipline must be shown. I've told players many times in the past that if they want to take up an individual sport , than take up'golf'; this is a TEAM GAME, and we must all 'pull together'; to achieve success. I am a Task-master, and I do not intend to drop standers , that I have set this club and myself , by the time you read my next comments we will know

CRENTANCEAFC.COM

wheather my tatics have been correct, or not ! I am quick to praise and acclaim the team and the individual and I feel sure the players will appreciate that they must also tack construtive criticism. My skipper is the strong liaision between the players and myself; he has that job for many reasons, but above all because he is not a 'yes' man.

Combination League

Our recent revival has continued in the last two weeks with two good away performances in which we scored seven goals and conceeded three. Gary Marks finding the net four times, three of these coming in a good hat-trick against St Dennis. In bad conditions at Helston last Saturday we soored four fine goals in agame where the team played as a unit.

This win extends our unbeaten run two five games as the team finds it's true form, confidence is high and these combined will improve our low league positon further still. By the time you have read this you will know the result of uur mid-week match versus Falmouth Docks ,I'm sure our revival will have continued.
