Plymouth Argyle Lottery

A Plymouth Argyle Lottery Draw will take place in the Clubhouse on Wednesday 14th March 1984. Please come along and support this evening. Music by the Waysiders plus players if available.

Good Afternoon Supporters,

Our first league game for three weeks today see us entertain Penzance who we have played twice already this season, drawing 0-0 at Penzance in the league and losing 3-2 also at Penzance in the Charity Cup.

I make this introduction because we should have even greater motivation to avenge those previous disappointing results at the hands of Penzance, and we must also be aware that our visitors will also want to stop our further progress in the league today.

Last weekend's results went our way but in no way can that mean any complacency because the most important factor is what we achieve ourselves, we must ensure we do not rely on bad results by our rivals.

Today we welcome John Axon in goal for his league debut in place of Dave Philp. While everyone wishes Dave well in furthering his career at Plymouth Argyle we are fortunate in being able to welcome John to the Club, and I'm sure he will want to prove his point here. Most certainly his previous South Western League experience should stand him in good stead for the remainder of the season.

Last Saturday we were thankful to Liskeard for accommodating us in a friendly, and I'm sure both clubs found the 2-2 draw a worthwhile exercise.

Trevor Newton
Manager.
