## FROM THE DUG-OUT

Good Afternoon and welcome to today's game.

Looking at what Sticker have been up to over the years, they are well capable of getting a result here and there and they are going to make things tough for anybody and everybody they play against. We look forward to welcoming them to Penlee Park.

We feel that with that win at Newquay on Wednesday night we have hopefully turned the corner. We have been very unlucky this season at crucial times, and probably not asserted ourselves in front of goal when we should have done. It feels like now, with everybody back available again, we might be able to get a push on and maybe move ourselves up the league a bit.

We are missing Darryl Richards today, which is a big miss, as he got to work, and Ryan Andrew has gone on holiday. We should have Sam Buckley back, but Alex Ralph will also be missing having picked up an injury in the week at Newquay. He really enjoyed himself the other night and he could make a difference to us. He held the ball up very well so it wasn't coming straight back down our throats. Maybe over the past few weeks, when we've been up the sharp end we've been trying to flick the ball around a bit, it has been breaking down and coming straight back down the pitch at us.

Kizzy was also very good the other night. He is lightning fast and took his chance superbly. Young Tyler Dayus has come in as well and has really settled in and done a great job, as have the other youngsters such as Cameron McCabe and Jordan Daniell, who we asked to move from centre-back to centre midfield where he has been really good. We should have Jacob Trudgeon back as well today which will make a difference to us hopefully,

It is going to be a long old process. When you are down at the wrong end of the table, it is difficult to try and entice players to come to you, especially from clubs that are up around the top, and they are of course the players you want. But we'll get there – we've done it before and we'll do it again!

Enjoy the game

## IN RESERVE

### ROSUDGEON 3 PENZANCE RESERVES 1

A bare eleven players made the journey to Rosudgeon last Saturday as we took on their first eleven in a friendly. Some attractive football saw us creating the better chances early doors before James Payne latched on to a clearance to volley home to put us 1-0 up.

Having the lion's share of play, we were unlucky not to grab a second. Elliott Rudge forced the keeper to save from distance before another quick break saw Joel Keen thread Rudge through to beat the on-rushing keeper to the ball only to see his shot just miss the near post. For the second half we had only eleven players, Tyler Smith having left to catch a flight, and a penalty miss, after Keen had been fouled in the box, turned the game in Rosudgeon's favour.

A half clearance saw Rosudgeon nick the ball and curl in a shot from distance before they nicked a second moments later. That seemed to galvanise us and we began to play again, but could not quite force an equaliser and we were always liable to get caught on a counter attack. That is what happened when our former striker Liam Dixon rifled home with the last kick of the game.

However, there were lots of positives and we were extremely proud of the efforts of all the lads though Joel Keen was awarded Man of the Match. We played some good football for long periods, and on another day would have cruised home.

## LAST TIME OUT

### NEWQUAY 0 PENZANCE 1

A run of 23 consecutive competitive defeats was finally terminated as the Magpies opened their season's account with hard-fought win at Mount Wise on Wednesday night. In recent years the vicinity has proved to be a happy hunting ground. Penzance's last points were accrued from a 4-3 success back in October across town at Godolphin Atlantic, who were also beaten 3-2 in November 2020. So the last three wins on the road have all been in Newquay.

The Penzance management made two changes to the side defeated by Godolphin four days earlier, Haidar Fadli reverting to the bench to accommodate Kameron Collins's return from cricket commitments, and summer signing Alex Ralph replacing Obinna Abuka up front.

Whilst being limited to one clear chance of his own, which the Newquay defence somehow scrambled clear just before the break, Ralph - a prolific Combination scorer in recent seasons with Rosudgeon and Pendeen Rovers - injected a physicality that has been missing from Penzance's attack. Though the hosts generally dominated the opening half, hitting the bar and stretching Mikey Flores to two excellent saves, the Magpies showed enough to hint a shock may be on the cards, particularly with two efforts from Darryl Richards that only just missed the target.

In drizzly conditions, the second period followed a similar pattern with the Peppermints on top but showing little sign of making a breakthrough. This continued until Penzance made a double change midway through the half. Returning from a three game absence, Cam McCabe replaced Rocco Hill in midfield whilst Rolandos Samnauskas relieved Ralph up front. Within five minutes, the move had paid as the striker, on his return from suspension, flustered the Newquay defence into a poor clearance. Kizzy Snowden pounced on the loose ball, carried it forward and cracked a low right foot shot from the edge of the area into the far corner of Harry Ashton's net.

The visitors managed the remaining sixteen minutes plus stoppage time well, and almost doubled the lead when Samnauskas saw a shot deflected wide. Though Newquay did finally force the ball home right at the death, an offside flag intervened to confirm the most welcome of victories for Penzance.

## SECRETARY'S NOTES

Good Afternoon everyone and welcome back to Penlee Park and especially to all the officials, players and supporters from Sticker. I hope the traffic wasn't too bad.

Well we did it. We actually won a game of football at Newquay on Wednesday evening. Congratulations all round to the players obviously, but also to the management team and backroom staff and people who are doing stuff here behind the scenes during the week. It certainly hasn't been through a lack of effort that results haven't gone our way. Hopefully we can all build on this and go forward with some confidence. It was certainly nice to see some smiling faces !

On that note, I'd like to pay tribute to our Programme Editor, James Wright. He has reintroduced the Magpie Review after a gap of 2 or 3 seasons due mainly to Covid. I'm sure you'll agree that he is doing a sterling job in compiling it. James did it for Taunton Town for many years and we are lucky to find someone who is willing to give up so much of their spare time to do this.

Next Saturday the first team travel to the nice ground of Wadebridge. Always a pleasure to travel there now that the horrendous slope on their pitch is gone. Level pitches in Cornwall are a rare commodity.

Keep your eyes and ears peeled to social media—there may be a coach available for travel.

Anyway, enjoy today's game and hope you pop into the clubhouse afterwards for a pint or three.

**Charlie Farley, Secretary**

## MATCH REPORT

### PENZANCE 0 GODOLPHIN ATLANTIC 1

The Magpies were never able to recover from an early concession, and slipped to a third home defeat inside ten days as Godolphin Atlantic continued an impressive start to the season under manager Harry Pope.

Missing eight players, including influential performers such as Tyler Tonkin, Kevin Lawrence, Cam McCabe, Jacob Trudgeon and Robertas Samnauskas, Penzance found themselves under the cosh in the first half hour against an in-form team that has racked up eleven goals in its opening two games. Eli Evans signalled early intent, cutting in from the right to fire just over before "the G" deservedly took the lead on the quarter hour mark. The home defence was slow to react to a Matt Walker free-kick and Matt Sanders muscled his way into the perfect position to head home at the far post.

A much improved conclusion to the half for Penzance saw Darryl Richards fire straight at keeper Adam Robathan after being released by Rocco Hill. A key moment immediately followed when Hill was tripped, to the eyes of most observers, just inside the box. Jonothan Green, however, awarded a free-kick and teenager Tyler Dayus saw his blasted effort charged down.

Two excellent chances followed at the start of the second period. Against his former club, Kizzy Snowden made a surging run forward before picking out Haidar Fadli's intelligent run with an accurate chip. Sadly the youngster's glancing header just missed its target. Dayus, who had another hugely impressive game, then located Silas Sullivan from a free-kick, but the captain-for-the-day was unable to make a clean connection and Rothathan saved easily.

Thereafter, frustration started to increase and the chances dried up as Godolphin eased their way to a third win in four games. "It is difficult at the moment, obviously we are not getting results," said joint manager John MacCallum afterwards. "It's a game we've competed well in - we don't deserve defeat, but that is what we are getting. One moment, a free header from a set-piece, has cost us. We haven't been outplayed in any of the games we've had this season, so that is positive. Rome wasn't built in a day - results will come, for sure."
